Limassol

Limassol is the year round destination of Cyprus. A cosmopolitan sea-side destination with a unique identity, based on its rich history and culture, its special characteristics and the wide variety of options available for tourists including cycling, hiking, bird watching, water sports, yachting, mini cruises to nearby destinations, Byzantine churches routes, wine routes and much more.

For detailed information visit www.limassoltourism.com or one of the tourist information offices.

The old town of Limassol is the heart of the city with its narrow streets radiating out from the old fishing harbour. The Medieval Limassol Castle was the site of a royal wedding in the Middle Ages between Richard the Lionheart, King of England, and Berengaria of Navarre, and now houses the Cyprus Medieval Museum.

This and many other sites in a geographically small area provide a great opportunity for discovering the essence of the destination on foot or by bicycle.
